Dear Ms. Sui Bixia

LETTER OF INVITATION

The Cape Coast Technical University, in conjunction with the Ministry of Education of the Republic of Ghana and AVIC International Holding Corporation is implementing the Ghana-China Project on upgrading and rehabilitation of Technical Universities and Technical Institutes. We are pleased to extend an invitation letter to two teachers from your institute to facilitate the training of trainers of Electric and Electronic Engineering under the project. The training will commence from December 25, 2021 to July 31, 2022.

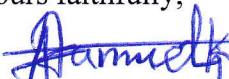

The invitation letter is extended to the following members:

Name	Gender	D.O.B.	Position
Geng Wei	Male	23/11/1988	Teacher, Department of Intelligent Equipment
Lin Feng	Male	16/01/1993	Teacher, Department of Intelligent Equipment

All expenses relating to this visit, such as international airfares, accommodation, living expenses, local transportation and medical insurance coverage are to be paid by AVIC International. Please feel free to revert for any clarification.

We count on your corporation.

Yours faithfully,

VICE CHANCELLOR
